Total Care Rx (TCRx) is a full-service, URAC/ACHC accredited, CF specialty pharmacy located in Flushing, NY. Total Care Rx has limited distribution contracts with Bethkis, Relizorb and Kitabis Pak. We ship vitamins, supplements and probiotics for free to all 50 states and can provide medications to our licensed states. Please inquire if we are licensed in your state and your patient needs assistance with CF medications. This fax message and any attachments may contain confidential information. By faxing this form, you are acknowledging that the patient is aware that a Total Care Rx representative may be contacting them for any additional information to process the order. Thank you.
